

## ERASE THE DAY GENTLE MAKEUP REMOVER

Purify your skin with this gentle, silicone-based makeup remover designed to wipe away makeup + impurities while preserving your skin's natural oils. Enriched with Vitamin E and antioxidants, this preservative-free formula helps retain moisture, leaving your skin radiant and healthy.

**SIZES:** 150mL

### PRODUCT BENEFITS

- Non-greasy, gentle formulation
- Breaks up makeup and impurities
- Preps skin for cleansing
- Suitable for all skin types
- Oncology friendly

### DIRECTIONS

Place a cotton ball or round on the pump, pushing to dispense for desired saturation. Gently swipe across the face to remove makeup. For eye makeup, hold over the eyelids to wipe the makeup away. Follow with NeoGenesis Cleanser.

*Keep out of eyes. For external use only.*

**CAUTION:** Erase the Day is a waterless product and does not include antimicrobial preservatives. To maintain the safety and integrity of the product, avoid introducing water into the container. Exposure to water may cause microbial growth, compromising the product's quality.

### INGREDIENTS

Isohexadecane, Cyclopentasiloxane, Isododecane, Isopropyl Myristate, Vitamin E Tocopherol.

#### PRO TIP

Follow with NeoGenesis Cleanser for thorough cleansing.
