

BODY CREAM

HYDRATE + REJUVENATE

5% S²RM®

NeoGenesis Body Cream is a luxurious, hydrating, age-defying cream created for the body. It is formulated with S²RM® technology to support the skin barrier. It has a light feel that absorbs immediately and may be used on the face and neck.

SIZES: 5mL, 30mL, 120mL

(size offerings may vary)

PRODUCT BENEFITS

- Provides all-over hydration and barrier support
- Improves the texture of aging skin
- Protects the skin from the effects of harsh environments
- Oncology friendly

DIRECTIONS

Apply all over the body. For best results apply twice daily.

Keep out of eyes. For external use only.
