

ENZYME CRÈME MASK

CLARIFY + REFINE

NeoGenesis Enzyme Crème Mask refines, brightens, and clarifies the skin to reveal a healthy glow. This gently exfoliating mask uses natural fruit enzymes paired with Niacinamide for improved skin barrier function. The gentle clay base of Kaolin and Bentonite Clays draw impurities out of the skin resulting in a firmer feel and more radiant complexion.

SIZES: 15g, 50g, 200g

PRODUCT BENEFITS

- May be used by all skin types including sensitive skin
- Gently resurfaces the skin
- Minimizes the appearance of surface lines and enlarged pores
- Improves the overall tone and texture of the skin
- Soothes irritated skin

DIRECTIONS

After cleansing, apply a thin layer over slightly moist skin. Leave on for 3 to 8 minutes, then remove with a warm wet cloth.

Keep out of eyes. For external use only.
