

MB-1 BALANCING PROBIOTIC MIST

MB-1 helps to restore balance to the skin's surface by providing active bacterial cultures and molecules to balance the microbiota on the skin's surface. It can be used on acneic skin, rashes, irritated skin, and other imbalances that appear on the skin.

SIZES: 30mL, 120mL

(size offerings may vary)

PRODUCT BENEFITS

- Provides light hydration
- Creates balance on the skin's surface
- Soothes and calms the skin
- For all skin types
- Oncology friendly

DIRECTIONS

Shake well before each use. Spray onto skin after all other products have been applied. Use a minimum of twice per day, or as needed.

Keep out of eyes. For external use only.

WARNING: Do not use on skin that is broken or open.

Store at room temperature (max 25°C/77°F) or cooler. Avoid direct sunlight. Use within 6 months of opening.

INGREDIENTS

Water, Live Nitrifying Bacteria, Sodium Hyaluronate Butyrate.

PRO TIP

MB-1 should be the last product used in any protocol.

Only available for purchase in the U.S., Canada and UK.
