

SALICYLIC ACID GEL

ENRICH + CORRECT

Specifically formulated for acne-prone skin, this beta hydroxy acid clears most acne blemishes by eliminating excess oils and impurities, while also soothing redness to reveal healthier-looking skin.

SIZES: 30mL

PRODUCT BENEFITS

- For the treatment of acne + blemish-prone skin
- Helps clear acne blemishes and supports the skin's natural healing process
- Reduces the number of blackheads + whiteheads
- Supports skin rebalancing to help prevent new acne blemishes

DIRECTIONS

After cleansing, apply 1 pump to face. Gently massage into skin. Use once daily, AM or PM. Can be used as a spot treatment.

Keep out of eyes. For external use only.

INGREDIENTS

Active Ingredient(s): Salicylic Acid (2%)

Inactive Ingredients: Water, Cocamidopropyl Dimethylamine, Propanediol, Salicylic Acid, Hydroxyethylcellulose, Benzyl Alcohol, Dehydroacetic Acid, Lactic Acid.

PRO TIP

Consult a physician before using if actively receiving oncology treatments or if skin is sensitive or irritated.
