

# STRENGTHEN + ENCOURAGE HAIR GROWTH

Specially formulated for those with fine or thinning hair, NeoGenesis Hair Thickening Serum uses the most advanced technology to add noticeable body, shine, and density.

BEFORE

AFTER 56 DAYS

NeoGenesis Hair Thickening Serum utilizes patented technology to support the natural hair growth process by replenishing the skin surrounding the hair follicle, and the follicle itself, with nutrients that were once created in abundance during our youth and have slowed down as we age.

## BOOST SCALP + HAIR HEALTH

Increases the appearance of hair density

Nourishes the hair follicles

Oncology friendly for everyday use

# NEXT LEVEL HAIR SOLUTIONS

While often used as an age-defying skin treatment, microneedling is a relatively new treatment method offered by hair professionals to regenerate surrounding skin tissue and stimulate the hair follicle. When paired with NeoGenesis Hair Thickening Serum this can result in new hair growth and thicker hair with more volume.
