- Oncology friendly

WHO WE ARE

NeoGenesis is in the business of providing products that enhance people's lives. With a core emphasis on serving oncology patients, our products are completely safe, yet highly effective for everyone.

NeoGenesis hair care products return nutrients to the skin that once were created in abundance during our youth and slow down as we age. We deliver those nutrients in a way that works within your hair's normal growth cycle.

Learn more about our innovative line of skincare, hair, lash + brow products through your skin professional or visit the NeoGenesis website:

HAIR THICKENING SERUM

STRENGTHEN + NOURISH

STIMULATE
NATURAL HAIR
GROWTH

REVOLUTIONARY HAIR SUPPORT

NeoGenesis Hair Thickening Serum is the first to combine the benefits of multiple adult stem cell types (S³RM[®]) with potent antioxidants, peptides, and other innovative ingredients to nourish the scalp and hair follicles.

Specially formulated for individuals experiencing hair loss due to hereditary factors or medical conditions such as alopecia and chemotherapy, this advanced serum provides targeted support that leverages the body's natural regenerative processes to help promote the appearance of fuller, healthier-looking hair.

real results

Hair begins to recondition after 8 weeks of use. A maintenance program of 3-4 times per year is recommended to maintain results.

ALOPECIA AREATA

“

“My hair has never looked or felt so good. I even have less grey. Thank you NeoGenesis!”

ANAGEN EFFLUVIUM (CHEMO)

STEM CELL BASED HAIR REJUVENATION

For the millions who are beginning to experience thinning hair or loss of hair, Hair Thickening Serum is a highly effective option that makes your hair look and feel healthier, fuller, and more vibrant.

For Optimal Results:

Simply apply NeoGenesis Hair Thickening Serum to your scalp, massage in and allow to dry for two minutes on a daily basis. Keep out of eyes.

Your hair professional has more advanced treatments using our products that can trigger an even faster response. This is especially beneficial to those just beginning to experience hair loss.
